General & Revenue Departments

Sir,

I have the honor to state that the Sakleshpur Municipal Board at their meeting held on 22nd October 1903 resolved that four Scavengers should be employed for daily conservancy of the town. This proposal was referred back to the Board for a reconsideration

decision as to what pay should be allowed to each of the proposed Scavengers. Thereupon at a subsequent meeting held on 27th February 1904 the Board resolved that Rs 8/- will have to be allowed to each of the four Scavengers and that the additional cost of Rs. 384/- involved may be met by levy of a Scavenging cess on the residents of Sakleshpur in addition to the Omkaranja levied from them, but such a cess does not appear to be in vogue in any Municipality of the State. However, provision was made for four additional Scavengers on Rs 8/- each

for

for this Municipality and the provision has been placed in the current year's Budget. (Vide para 9 of Government Proceedings No. 177-89 L.B. 16-04 dated 9th July 1904).

2. In this connection, I beg to state that daily conservancy system is very essential to prevent outbreak of epidemics like plague, cholera etc and the existing establishments of Sweepers who will not undertake Scavenging work is found inadequate for the Municipality especially as Bommanahally Extension has been subsequently included within Municipal limits.

3. Under the above circumstances, I request that you will be so good as to

to obtain sanction of Government to the entertainment of 6 Scampers on the 8th each per mensem for the Saltespur Municipality.

I have the honor to be
Sir
Your most obedient Servant
